National Nonprofit Petco Love Invests in Pets In Need of Greater Cincinnati to Help Increase Access to Veterinary Care for Pets in the Greater Cincinnati Tri-State Area

Cincinnati, OH (May 06, 2026) – Pets In Need of Greater Cincinnati is set to receive a \$1,500 grant investment from national nonprofit Petco Love in support of their lifesaving work for pets in the Greater Cincinnati Tri-State Area.

Petco Love is a national nonprofit leading change for pets by harnessing the power of love to make communities and pet families closer, stronger, and healthier. Since its founding in 1999, Petco Love has invested nearly \$433 million in adoption and other lifesaving efforts. And Petco Love helps find loving homes for pets in partnership with Petco and more than 4,000 organizations — like ours — across North America, with more than 7.1 million pets adopted and counting.

The investment in Pets In Need of Greater Cincinnati is part of more than \$1.2M in grants recently announced by Petco Love for nearly 200 spay/neuter clinics and other low-cost veterinary care providers to help increase access to veterinary care for pets in their communities. The lifesaving investments are also being granted to reduce economic euthanasia, and the surrender of pets to shelters when families are not able to afford needed veterinary treatment.

“Petco Love knows pets are family and we strive to take care of them the best we can, though the reality is not everyone has equal access to veterinary care as many pet parents face difficult financial times,” said Chelsea Staley, President of Petco Love. “That’s why we are proud to support our partner animal welfare organizations in providing helpful services in their communities, so we can keep pets and their families together.”

“Petco Love’s investment in our organization has been instrumental to our mission since our inception. Their continued partnership, through vaccines and now through heartworm prevention, allows us to expand access to critical preventive care and improve the health and well-being of pets across our community,” said Pam McKie, Pets In Need Executive Director.

As part of Petco Love’s mission to make pet families healthier and increase access to veterinary care, through its *Vaccinated and Loved* campaign, Petco Love [reached a significant milestone of distributing](#)

[four million free pet vaccines](#) for family pets in February 2026. The campaign was launched in 2021, encouraging Petco Love animal welfare partners to host free vaccine clinics.

Pets In Need of Greater Cincinnati is a nonprofit organization dedicated to providing affordable, high-quality veterinary care to pet parents with no, low, or limited income throughout the Greater Cincinnati Tri-State area. Since 2012, Pets In Need has served thousands of pets to receive essential medical services, including wellness care, surgery, dental treatments, treatment and disease management, and end of life care.
